Stud Fee: \$2300

1. The bitch owner will pay a \$500.00 non-refundable service fee before the breeding takes place or semen is shipped. If the breeding results in a litter of (3) three or more puppies, the balance on stud fee of (\$1500.00) and all expenses incurred are due within 14 days after the puppies have been whelped. The American Kennel Club litter registration will be signed or released online by the stud owner once the balance and all expenses incurred have been paid in full. If the breeding results in less than 3 puppies or no litter, there will be one repeat service breeding offered for an additional \$250 service fee (as long as progesterone testing is conducted as asked below).
2. We require that you utilize progesterone testing for your bitch and results are provided in a timely fashion so arrangements can be made to ensure that your breeding is a successful one. We also ask that progesterone testing continue until a result of 15 or greater is obtained. We refuse to breed any bitch that has not been progesterone tested.
3. A litter consists of three puppies that live at least 48 hours. If only one or two are born alive and live past 48 hours, the stud dog owner will sign or release the AKC online litter registration after the service fee and all other expenses have been paid. The bitch owner must notify stud dog owner once the litter is born stating the date born, number of puppies born alive and dead including colors and sexes.
4. If required, any veterinary fees associated with collecting semen will be the responsibility of the bitch owner.
5. If the semen is to be shipped to the bitch owner, the bitch owner is responsible for all shipping charges. The bitch owner must provide a FEDEX account number for shipping fees. FEDEX account #_____. If you don't have an account please contact FEDEX to get one set up. They are free of charge.
6. Extender is provided by the stud dog owner.
7. We do provide loaner semen shipping boxes. Bitch owner will be responsible for returning the shipping boxes. Boxes need to be returned to:
